## **Rhode Island Society of Health-System Pharmacists**

***The professional society of  
pharmacists and pharmacy  
technicians working in  
organized health care  
settings in Rhode Island  
and surrounding states.***

### **Membership Application**

#### **Benefits & Services:**

-  A new and improved Website ([www.rishp.org](http://www.rishp.org)) that serves as an up to the minute information and resource link
-  Access to “Profiles,” the official newsletter of RISHP. It provides drug information updates, legislative updates, and regulatory affairs, and pharmacy practice issues related to the Society
-  ACPE accredited continuing education programs, relevant to health-systems practice, offered at a reduced rate
-  Legislative representation before the State Legislature and Board of Pharmacy
-  Networking opportunities and professional enrichment
-  Annual Installation Dinner Dance
-  Scholarship awards for pharmacy students, technicians, and practitioners

Visit us at:

---

**HISTORY:**

Founded in 1952, the RISHP has more than 200 members dedicated to fostering the growth and development of pharmacy practice in organized health care settings.

**OBJECTIVES:**

-  Developing professional standards to improve quality of pharmaceutical services.
-  Assuring a high quality of professional practice through development and maintenance of standards, professional ethics, and education and through the promotion of economic welfare.
-  Developing and conducting educational programs for our members.
-  Dissemination of pharmaceutical knowledge among pharmacists and allied health professionals in determining rational drug use

**TYPES OF MEMBERSHIP:**

Pharmacist Members:  
Licensed pharmacists who support the purposes of the RISHP as stated in the Society’s Constitution and By-Laws

New Graduate Pharmacist:  
Licensed pharmacists who support the purposes of the RISHP as stated in the Society’s Constitution and By-Laws and who have graduated from an accredited College of Pharmacy in the past 2 years.

Technician:  
Graduates of a technician training program and who are currently employed in an organized health care setting

Associate Members:  
Individuals other than those who qualify as active members who support the purposes of the RISHP, however are not licensed pharmacists (e.g. spouses, non-pharmacist pharmaceutical representatives, etc.)

Student:  
Individuals enrolled in an undergraduate degree program in an accredited College of Pharmacy
